CHEBROLU HANUMAIAH INSTITUTE OF PHARMACEUTICAL SCIENCES

Accredited by NAAC, QCI-NABET, Autonomous

Chandramoulipuram, Chowdavaram, Guntur-522019, Andhra Pradesh

ORGANISING INSTITUTION

ABOUT CHIPS

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences (CHIPS) was established in the year 2005 by philanthropic Nagarjuna Education Society (NES). At present, this institution is offering B.Pharmacy, M.Pharmacy (Pharmaceutics and Pharmaceutical Analysis branches), Pharm.D and Ph.D. The motto of Nagarjuna Education Society is to provide quality education and training, which is accomplished by providing excellent infrastructural facilities to its students at CHIPS.

The institution has about 13 classrooms and 25 laboratories, 01 library, 01 seminar hall and abundant play ground for sports and games with a total built-up area of 72,000 square feet in a three-acre land. Labs are well ventilated, spacious and provided with fire safety devices. Students will be trained on one to one basis under the supervision of expertise faculty at the laboratories.

CHIPS has established MoUs with leading pharmaceutical industries, providing students with opportunities for industrial visits, advanced laboratory training, and collaborative research. It boasts a strong faculty team with 22 doctorates, many of whom have received awards for their contributions to the pharmaceutical field. Recognized by UGC under Sections 2(f) and 12(B), the institution is accredited by NAAC with a B++ grade (valid until 31/12/2029) and granted Autonomous Status from 2024–25. It is the first pharmacy institution in Andhra Pradesh accredited by NAAC under the Health Sciences category. The Institute is accredited by QCI under NABET, securing 26th rank nationally and 1st rank in Andhra Pradesh. The institute is also certified with ISO 21001:2018, ISO 14001:2015, and ISO 50001:2018, and was ranked in the 51–75 band by NIRF (2017). Additional recognitions include Best Eco-Friendly Campus and Best Laboratory awards from Acharya Nagarjuna University, CCSEA approval for its animal house, and Drug Testing Lab approval from the Government of Andhra Pradesh. The institution has supported 47 Ph.D. graduates and currently hosts 78 research scholars. With over 500 research publications, 50+ academic events, and multiple book contributions, it maintains a strong research culture. Academic performance remains excellent with over 95% pass rates, and around 85% of students secure placements through its dedicated Training and Placement Cell.

NAAC & QCI Accredited Autonomous	22 Doctorate Faculty	47 Ph.D. Graduates	500+ Research Publications	95% Pass Rate	85% Placements

CONVENING ASSOCIATION

ABOUT ABAP

The Association of Biotechnology and Pharmacy (ABAP), established in 2007, aims to advance science in Biotechnology and Pharmacy. Its objectives include creating a forum for scientists to discuss contemporary issues, facilitating annual meetings for member interaction, inducting young aspirants, and publishing findings. ABAP organizes symposia, seminars, and workshops on current developments in schools and universities across India. It also launched an international journal "Current Trends in Biotechnology and Pharmacy" (ISSN-P: 0973-8916; ISSN-O: 2230-7303), and annually presents Lifetime Awards and Fellow Awards in various fields related to Biotechnology and Pharmacy.

THE CONFERENCE

ABOUT THE CONFERENCE

The conference on "Global Perspectives of Artificial Intelligence and Quantum Technologies in Healthcare, Pharmaceutical, Biotechnological and Agricultural Innovations" aims to bring together researchers, academicians, industry experts, and policymakers from across the world to explore the transformative potential of emerging technologies. The event will highlight how artificial intelligence and quantum technologies are revolutionizing drug discovery, precision medicine, diagnostics, biotechnology advancements, and smart agricultural practices. Through keynote lectures, technical sessions, and panel discussions, the conference will foster interdisciplinary collaboration, encourage knowledge exchange, and address current challenges and future opportunities. It also seeks to promote innovative research, sustainable solutions, and the integration of cutting-edge technologies to improve global health outcomes, enhance pharmaceutical development, advance biotechnological research, and ensure agricultural sustainability.

RECOGNITION & EXCELLENCE

AWARDS

Young & Junior Scientist Awards

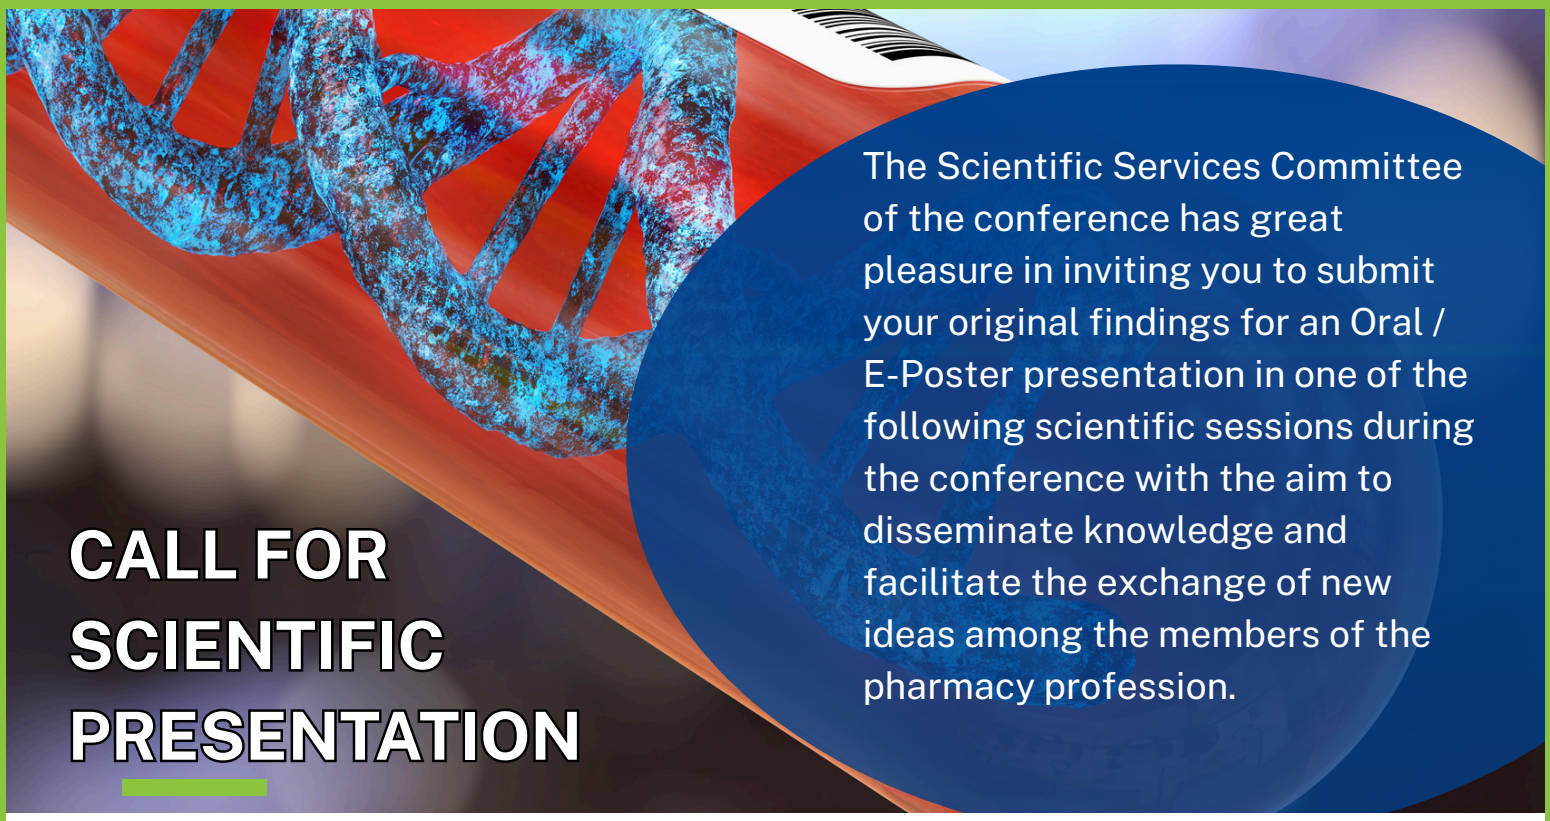

Young Scientist Awards will be presented for oral presentations under the following categories:

- Below 30 years: One Gold Medal and two additional awards
- Above 30 years: One Gold Medal and two additional awards

In addition, Junior Scientist Awards will be conferred for poster presentations:

- Undergraduate (UG) and Postgraduate (PG) students: Three awards
- Research Scholars: Three awards

Participants intending to compete for the Young Scientist or Junior Scientist Awards must clearly indicate their chosen category at the time of registration.

CALL FOR SCIENTIFIC PRESENTATION

The Scientific Services Committee of the conference has great pleasure in inviting you to submit your original findings for an Oral / E-Poster presentation in one of the following scientific sessions during the conference with the aim to disseminate knowledge and facilitate the exchange of new ideas among the members of the pharmacy profession.

Subject areas for Scientific Paper Presentations

1. Pharmaceutical Technology and Pharmaceutics
2. Pharmaceutical Chemistry/ Pharmaceutical Analysis
3. Pharmacognosy, Phytochemistry and Biotechnology
4. Pharmacology and Toxicology
5. Pharmacy Practice and Pharmacy Education
6. Pharmaceutical Regulatory Affairs
7. Pharmacovigilance & Pharmacoepidemiology
8. Agriculture Biotechnology and Sustainable Development
9. Artificial Intelligence and Machine Learning in Health Sector
10. Other relevant fields

Guidelines for Abstract Submission:

- The Abstract shall comprise of Title, followed by authors, affiliation, introduction, aim & objectives, methods, results, summary & conclusion. (12 font size) in Times New roman font. The abstract shall be restricted to 250 words.
- Model abstract available on website.
- Abstract and Title of the Paper should be submitted through online before 02nd November 2026.
- Abstract submission link: **https://chipsclg.vercel.app/abstractForm**
- Alternatively the abstracts can be sent with communication details to abapchips@gmail.com
- The abstract can be submitted for Oral presentations but will be shortlisted by scientific committee subject to slot availability.
- The presenting author must be a registered delegate to 20th ABAP CONFERENCE, Guntur
- Papers adjudged as best in both oral and poster sessions by an independent jury will be given “Best Oral and Poster Presentation awards” respectively during valedictory function.

Accepted abstracts of registered delegates will be published in an ISBN-indexed Abstract Book. The best research papers will be considered for publication as full-length articles in a special issue of Current Trends in Biotechnology and Pharmacy (Scopus-indexed, Q3), subject to nominal publication charges.

All queries related to 20th ABAP Conference can be E-mailed to abapchips@gmail.com

Registration

Delegates are required to fill the online registration form on website: **https://chips-clg.vercel.app/registration** and complete the registration process. Participants will receive the confirmation on registered mail ID on successful registration.

Special Offer: For Every Fifteen Bulk Registrations One Registration is Complimentary 15+1 (There is specific Procedure for Bulk Registration Kindly Contact Technical Coordinator for the same)
