ABOUT JOURNAL

Indian Journal of Pharmaceutical Education and Research (IJPER) is the official journal of Association of Pharmaceutical Teachers of India (APTI) and is being published since 1967. IJPER, a quarterly publication devoted to publish reviews and research articles in pharmacy and the related disciplines of Pharmaceutical education. It mainly covers the articles of special interest, covering the areas of Pharmaceutical research, teaching and learning, laboratory innovations, education technology, curriculum design, examination reforms, training and other related issues. It encourages debates and discussions on the issues of vital importance to Pharmaceutical education and research. The goal of the journal is to provide the quality publications and publish most important research and review articles in the field of drug development and pharmaceutical education. It is circulated and referred by more than 6000 teachers, 40,000 students and over 1000 professionals working in Pharmaceutical industries, Regulatory departments, hospitals etc.
