Welcome Message:

The 22nd International Congress of International Society for Ethnopharmacology (ISE) & the 10th International Congress of the Society for Ethnopharmacology (SFE), India (ISE-SFEC 2023) will be jointly organized by the Institute of Bioresources and Sustainable Development (IBSD), Imphal, India and the Society for Ethnopharmacology, India during February 24-26, 2023 at City Convention Centre, Imphal, Manipur, India with the theme on “Reimagine Ethnopharmacology - Globalization of Traditional Medicine”. This congress will focused on several crucial and contemporary issues on the scientific study on traditional medicine based on the Ethnopharmacology and medicinal plants by the renowned scientists throughout the world. This will provide an ideal platform to the participants to present their research work, interact, debate and disseminate ideas amongst the distinguished professionals, eminent scientists, technologist and industrialist. This event will be organized in both physical and online mode.

On behalf of the local organizing committee, International Society for Ethnopharmacology and Society for Ethnopharmacology, it is our pleasure to invite you to participate in this congress and explore the opportunities. For further details please visit: www.isesfec2023.in

About the Conference:

We are on the phase of 10th year celebration of 12th International Congress of International Society for Ethnopharmacology (ISE), which was the first ISE congress organized in Kolkata, India. To celebrate 10 years of the successful event, the 22nd Congress of International Society of Ethnopharmacology [ISE] along with 10th International Congress of Society of Ethnopharmacology, India [SFE] being organized in Imphal, India. The main focus of the congress is to revitalize traditional medicine and also address some of the crucial and contemporary issues on ethnopharmacology and medicinal plant research for their promotion and development. This Congress also helps to explore the traditional knowledge for the development of therapeutics from natural resources with the integration of modern science and technology. The development of natural products requires the confluence of the modern techniques and integrated approaches related to their research and development in various fields of science. This conference will provide an ideal platform to the participants for interaction, debate and dissemination of ideas amongst the distinguished professionals, eminent scientists, traditional healthcare professional and technologists.

Institute of Bioresources and Sustainable Development (IBSD) is an autonomous Institute under Department of Biotechnology, Ministry of Science and Technology, Govt. of India Imphal, Manipur, having its other center and nodes in Gangtok, Sikkim; Aizawl, Mizoram; and Shillong, Meghalaya. The institute is working on Bioresources development and their sustainable use through biotechnological interventions for the socio-economic growth of the region with the major goal of scientific management of bioresources in the Indian region falling under Indo-Burma Biodiversity Hotspot. For further details please visit: www.ibsd.gov.in

Society for Ethnopharmacology (SFE), India is a registered society under the West Bengal Society Registration act and also affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence throughout the country, which provides networking opportunity for development and promotion of medicinal plants and ethno pharmacology. The Society works on dissemination of knowledge in this area through different local chapters made in different parts of India with the major goal on “Globalizing local knowledge and localizing global technologies.” For further details please visit: www.ethnopharmacology.in

International Society for Ethnopharmacology (ISE) is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research. The society is dedicated to the exchange of information and understandings about people's use of natural products and their bio-prospecting. For details please visit: www.ethnopharmacology.org

Major Highlights of the Congress:

- Globalization of Traditional Medicine: Ethno pharmacology in drug discovery- Tradition to Translation
- Evaluation of safety, efficacy and quality of Medicinal plants their Conservation & propagation
- Promotion and Development of Ayurveda, Siddha, Unani Drugs – Indian perspectives
- Development of Bio economy from bio resources
- Perspectives of Traditional knowledge, Traditional foods and traditional medicine with special reference to NER
- Integrative approach for promotion and development of traditional practices & Ethnopharmacology conclave
- Ethno veterinary medicine, Ethno zoology
- Bioprospecting of natural products – an approach towards drug discovery
- Development and evaluation of herbal formulation- industry institute partnership
- IP rights, patents and regulatory affairs of medicinal and aromatic plants
- Conservation & propagation of rare, endangered & threatened medicinal plants
- Artificial Intelligence for management of bioresources

Speakers:

We are expecting speaker and resource persons from more than 50 countries including academicians, researchers and technologists from university, institutes and industries, health care professionals, industrialists throughout the world. We welcome scientific presentations from the researchers from industry and academia.

Registration:

Registration is compulsory for anyone to participate in the Congress, scientific sessions and oral/poster presentation. To participate, you are not obliged to give an oral or a poster presentation. Registration forms should be sent fully completed together with the payment and the registration will be confirmed to the participants after receipt of the above documents. We encourage online registration through www.isesfec2023.in

- Only registered delegates will be permitted to present and participate in the scientific sessions and oral/poster presentation.
- Total number of participants in the congress is limited & registration will be in first come first serve basis. Registration fee is non-refundable.
- Oral and poster presentation is not mandatory to participate in the congress.
- One registered participant can present only one paper.
- Proof of student status is required. A letter from the Research guide or Head of the Department/ Institution to be sent along with registration form is mandatory for students.
- One photograph must be included in the registration form.
- The registration fee includes participation in the full scientific program, the conference kit, all breakfasts, lunches and coffee breaks, the conference dinner and social events.
- There will be no spot registration if the required number of delegates exceeded.
- Delegates are requested to complete the registration formalities along with the payment to the secretariat within November, 30, 2022, to avail early bird registration benefits.
- Total number of participants in the congress is limited & registration will be in first come first serve basis. Registration fee is non-refundable.

Registration fee for	National (Delegates from India) (INR)	Foreign Delegates (USD)
Members of SFE/ ISE	3,500	150
Non-members	4,500	250
Students/ Research Scholars [ISE/SFE Members]	2,500	100
Students/ Research Scholars [Non-Members]	3,500	150
Spot registration for student	5,000	250
Spot registration for others	6,000	350
Accompanying person	2,500	100
Online: Members of SFE/ ISE	1,000	50
Online: Non-members	1,500	75

Remittance Details:

- Payments should be made by Cheques /Drafts or Bank transfer; in favour of “IBSD SFEC2023”, A/C No: 41044116351; Bank: State Bank of India, Branch: Imphal Secretariat Branch, Imphal, Manipur, India; IFSC Code: IFSC: SBIN0004562; MICR Code: 795002003; SWIFT Code: SBININBB480

Abstracts Submission:

General guidelines

- The participants are cordially invited to submit scientific abstracts for oral/poster presentations on the main topics of the conference.
- Abstracts can be submitted as e-mail attachment to isesfec2023@gmail.com by November 10, 2022.
- Abstract submitted without registration will not be entertained.
- Abstracts will be subsequently reviewed by the panel of experts. Notification of acceptance (Oral/ Poster) of abstract will be mailed to the author by November 20, 2022.
- Only registered delegates will be permitted to present and participate in the scientific sessions and paper presentation.
- One delegate may submit only one abstract and one registered participant can present only one paper.

Guidelines for preparing the abstract:

The abstracts must be original and unpublished work. Abstracts must be written in English. It should include title (14pt, bold, upper case), author(s) & affiliations, materials and methods, results and conclusions. Name of the presenting author should be underlined. The text should be single spaced 12 pt, Arial all through. The abstract should be submitted within 300 words in .doc/.docx file.

Guidelines for Oral and Poster presentation:

Maximum time for the oral presentation is 10 min. Computers and projector will be provided by the organizers. The presentation should be in MS-Power point format. For poster presentations, the size of the poster should be within 120 cm (height) and 90 cm (width) and readable from 1.5 meters. Scientific committee will provide a vacant board/wall, and sticking tape/board pins etc.

Bursaries:

- **Travel support:** Travel support by shortest route will be provided to limited number of desirable participants depending on the availability of fund (**the participant must be registered and his paper must be accepted**).
- **Support for Registration:** Registration fees may be waived for a limited number of desirable participants depending on the availability of fund (**the participant must be registered and his paper must be accepted; fees will be refunded if selected for support**).
- Best oral and poster presentations for all sessions will be awarded.

Visa:

Visas are required for all international delegates. You are requested to visit the nearest Indian Embassy or High Commission or their website for further details.

Local transport, post-conference tour and sightseeing:

On February, 2023, the post-conference tour will be organized for the local sightseeing in and around Imphal, Manipur. Interested visitor can choose various tour packages offered by the local sightseeing partner. You may please contact them directly for attractive tour packages and discounted rates.

Badge Policy:

All participants will be required to wear their badge at all times during the conference. Those without badges will not be allowed to attend the sessions or social events. Separate badges will be provided for all registered accompanying persons and will be required for admission to the Opening reception, coffee breaks and lunches.

Accommodation:

We have negotiated a number of reduced-rate hotel rooms to make your trip to Imphal, Manipur affordable. Rooms are available on a first come, first-served basis. To make a reservation, please visit the [booking website](#) or please contact: Dr. Ojit Singh Keithellakpam, Project Scientist, IBSD & Coordinator, ISE SFEC 2023 [E-mail: isesfec2023@gmail.com; Contact: +91-9862733419].

Important dates:

- ❖ **Last date of submission of abstract: November 10, 2022**
- ❖ **Acceptance of abstract will be informed by: November 20, 2022**
- ❖ **Last date of early bird registration: November 30, 2022**
